## HJELM BANE GOOD PRESS AGENT

Editorial Association Discovers Why Scandinavians Settled Northwest.  
By United Press.

GRAND FORKS, N. D., Sept. 15.—The world discovered today why Minnesota and the Dakotas are settled mostly by Scandinavians. It seems that Paul Hjelm Hansen came over in 1869 and "pressaged" the section so well through his home papers that his fellow countrymen started to flock to it and have kept right on doing so ever since.

O. P. B. Jacobsen, Minnesota railroad and warehouse commissioner and president of the Ugebladst Publishing Company of Fergus Falls, Minn., announced at the opening of the twenty-first annual session of the Norwegian-Danish Press Association here today that a bronze tablet is to be placed to the memory of Hansen in the Minnesota Historical Society rooms in St. Paul.

President Carl G. O. Hansen of the association, who also is associate editor of the Minneapolis Tidende, the only Scandinavian daily in the Northwest, opened the sessions.

## Would Prevent Hog Cholera.

While new corn alone does not cause cholera, the College of Agriculture is advising farmers to feed it gradually to their hogs. Before new corn can be fed, a special circular just issued says, the animals should be put in a vigorous, healthy condition.
